

Upcoming Book Study via Zoom Beginning the week of April 21st

A message from Rev. Cindy Yamamoto:
Often people ask me about my favorite spiritual tools and/or my recommended reading. I am thrilled to be offering a book study on one of my all-time favorite tools and books,

"The Four Spiritual Laws of Abundance: A Simple Guide to Unlimited Abundance"

by Unity minister, spiritual teacher, and workshop facilitator **Edwene Gaines**.

This book changed my life, and when I had my Board of Trustees read and study it with me, changed the prosperity consciousness and trajectory at Unity of Livonia. We went from getting by to thriving. It is an easy read filled with real-life stories, wisdom, humor, and Truth. In this book study, we will learn about tithing, goal-setting, forgiveness, and divine purpose and perhaps most importantly, about ourselves and how we engage in the abundance that the Universe offers. The book and group study will be engaging and eye-opening no matter who you are or where you are on your life's journey.

The author "guarantees that following these principles will change your life, and that you can turn a life of deprivation and want into one of abundance and freedom." Remember that prosperity is about far more than finances. It affects every area of our lives; health, relationships, career, energy, **and** money.
